Up to 36 carpet colors for solid or custom logo designs
- **MADE FOR MEDIUM TO HEAVY TRAFFIC**
- **HIGHLY VERSATILE**
Can be made as a loose mat or glued wall-to-wall

Edged Two-n-One Mat with Champion Super Nop Carpet in Gris/Charcoal 2098

A scrape-and-clean system with unrivaled flexibility.

Smart and versatile, vG's Two-n-One hybrid matting system combines the function of Frontrunner SB – a heel-and-wheel friendly grid entry system – with your choice of durable all-weather walk-off carpet* together in a single mat.

The distinctive, seamless look of Frontrunner SB's serrated grid scrapes and captures dirt and debris, while the walk-off carpet* wipes away what's left, including excess moisture. Easily moved and cleaned, Two-n-One Mat is built to withstand medium to high traffic. Choose from a wide selection of shapes, sizes and colors in single tone or custom logo designs in either edged mat or semi-permanent wall-to-wall applications.

Two-n-One's nearly limitless versatility with no matwell or installation required – simply unroll and go!

SOLUTIONS FOR EVERY ENVIRONMENT

van Gelder, Inc. does not use any substances currently included in the SVHC (Substances of Very High Concern) list under REACH (Registration, Evaluation, Authorization and Restriction of Chemical substances) in any matting products. All PVC grid products are 100% recyclable.

LEED-NC:

Version 3
IEQ Credit 4.1, 4.3, 5
MR Credit 4

MAINTENANCE

Daily: Vacuum with an industrial cleaner. Should stones, salt particles or other solid matter become embedded between the surface ribs, remove using a blunt instrument (screwdriver) or similar device. In addition to daily routine above, its important to remove chewing gum deposits and stains as they appear.

Weekly: Complete daily cleaning routine, then clean top surface using cylindrical brush machine. Initially work in direction of top ribs then across the ribs to complete cleaning. If a cylindrical brush machine is not available equally good results can be achieved using a high-pressure water extraction process.

For more information on Two-n-One installation or maintenance, contact your van Gelder, Inc. sales representative.
