

SAFESTEP PLUS

RECYCLED NON-SLIP FLOORING

Ideal for wet, high-traffic areas like commercial kitchens, SafeStep is made from 90% post-industrial recycled content.

Slip and stain-resistant, non-absorbent, anti-fatigue and non-reactive to chemicals, animal fats or grease: SafeStep Plus brings non-slip flooring to the next level.

- Resistant to mildew and other bacterial growth. Available in custom shapes and sizes
- Certified by the National Floor Safety Institute.
- SafeStep Plus adds safety, comfort and resilience to the most demanding environments.
